Dear bandhu,

With deep regret we learnt about the sad demise of Adarniya Nanaji.

As with the name he was a fatherly figure to many families . He was a true karmayogi, a modern Rushi and Tapaswi who toiled all through his life for the upliftment of the whole society and particularly with its weaker section.

By renouncing active politics at the age of 60 and wholeheartedly engaging himself in activities for the social reconstruction he has set an example for others to follow.

He was a true swayamseavak and with his passing away we have lost a link with the generation of the senior veteran swayamsevaks.

He was closely associated with the Vishwa vibhag which has fond memories of that association.

We share the grief of Deen Dayal Research Institute and a large number of Man. Nanaji's associates and pray for the peace of the departed soul.
